

# Acer Revo 100

## Product Highlights

*Sleek home media center for  
instant sharing and fun!*

**acer**

# Value proposition

The Acer Revo 100 is a stylish centerpiece for your living room, and seamlessly consolidates home-based and mobile devices plus the Internet under one roof. Use the Acer Revo Arcade application suite to access, enjoy and share high-definition multimedia of all kinds, while Acer clear.fi automatically detects devices and extends Internet and home entertainment throughout your entire household.

The Acer logo, consisting of the word "acer" in a stylized, lowercase, teal-colored font.

# Acer clear.fi

- Control contents and features easily for a personal and seamless media experience
- Interactive user interface — easy, intuitive, immediate, innovative

The screenshot displays the Acer clear.fi user interface. At the top, a navigation bar includes the 'clear.fi' logo, a list of device tags ('All devices', 'Johnny', 'Liquid', 'Michael'), and a search bar. The main content area is divided into a left sidebar with categories like 'Music', 'Photo', 'Video', 'Recorded TV', and 'Home', and a central grid of media thumbnails. Each thumbnail shows a video title, duration, size, and source (e.g., 'Iron Man 2', 'Impossible', 'Iron Man 2', 'Gitar Man', 'Late Show', 'MLB.com Video'). At the bottom, a 'PLAYBACK DEVICES' section shows icons for a desktop PC, a tablet, a laptop, and a hard drive. To the right of these icons are 'Play to' and 'Save to' buttons.

All the connected devices and PCs are shown as tags

Keyword search for media content

Lists of the multimedia files found on the connected device

Connected devices automatically appear onscreen

Drag-n-drop feature allows playing or saving of media files to any of the connected devices

acer
