# LAMINA

LT1034

Product

## **LAMINA LT1034**

## Full HD IPS Touchscreen 4GB RAM /64 GB eMMC WIFI AC Dual band

**The Lamina T1034 Tablet** is equipped with a powerful Intel Celeron Quad-Core Intel® processor that brings all the features of the latest Windows® operating system to a stunning Full HD IPS 10.1" display.

Dual band wi-fi that gives you the extra edge in connectivity for streaming or downloading. For added performance, we have installed up to 4 GB of RAM and 64 GB Flash hard drive to ensure the ultimate experience for work, streaming and social gaming.

The Lamina Home T 10 Series is the perfect companion for all your everyday tasks. A powerful Quad-Core Intel® processor brings all the features of the latest Windows® operating system to the stunning 10.1" display that lets you stay productive and mobile wherever you are. With Windows 10 Pro. Even if you are working remote or binging the latest shows on Netflix, your dual band Wi-Fi will ensure that you have a fast and reliable connection.

### 10 "Netbook or 10 "Tablet, you choose!
