

PROTECTION *for the* **NOKIA** LUMIA 920

LIVE MORE and DO MORE with OTTERBOX PROTECTON

The newest addition to the Lumia family, the Nokia 920 brings with it great anticipation for the Windows 8 operating system. Loaded with highly desired entertainment and productivity features this phone is sure to become a quick favourite and constant companion. OtterBox delivers on the protection promise with a Defender Series and Commuter Series case ready to keep this phone safe for constant use.

DEFENDER^{SERIES}

The Defender Series allows our customers to utilize their technology everywhere with confidence knowing that their device is protected while inside a highly robust, three-layer case.

- This rugged case is made for heavy use and random accidents
- The multi-layer construction makes this case nearly indestructible
- The built-in screen protector prevents scratches on the touch screen; smudges and fingerprints easily clean off easily
- Port covers prevent dust and debris from clogging up ports and jacks

COMMUTER^{SERIES}

The Commuter Series offers stylish protection for customers with a highly connected lifestyle. This two-layer case provides slim, sleek and substantial protection that keeps the device looking great.

- Self-adhesive screen protector prevents scratches
- Port covers prevent dust and debris from clogging up ports and jacks
- It slides easily in and out of pockets for instant and convenient access to every reminder, text and email
