

OTTERBOX PROTECTION *for the* nexus 7

POWERFUL AND PORTABLE

The Google Nexus 7 is one of today's top selling tablets and is loaded with features the young and young-at-heart can equally enjoy. Designed with gaming in mind and built for speed and performance, back-seat bickering will become a thing of the past. Loaded with 32GB of storage and the option to connect to mobile data networks, the fun has no end.

ADVANCED PROTECTION

Mobile tablets enable information, communication and entertainment to happen anywhere. OtterBox protective cases enable the always-on mobile lifestyle of consumers. The Nexus 7 OtterBox case is precisely designed to preserve its advanced performance and stunning HD display, while every feature and function works perfectly inside the OtterBox protective case. Consumers will enjoy unlimited entertainment with their Nexus 7 tablet protected by an OtterBox.

DEFENDER^{SERIES}

The **Defender Series** allows customers to utilise their technology everywhere with confidence knowing that their device is protected while inside a highly robust, three-layer case.

- This rugged case is made for heavy use and random accidents
- The multi-layer construction of this case makes it nearly indestructible
- The built-in screen protector prevents scratches on the touch screen; smudges and fingerprints easily clean off
- Port covers prevent dust and debris from clogging up ports and jacks

Protection for What's Next.

OtterBox protective cases enable devices to go from the office to the mountain top fully protected for what's next — whether it's the next meeting, next adventure or next mishap.
