Samsung

GALAXY Tab 2
10.1

ULTIMATE EFFICIENCY COMPANION

The Samsung Galaxy Tab 2 10.1 is the ultimate tablet for a fast-paced and mobile world designed to out-perform its competitors in any business environment. This tablet is loaded with Android 4.0 Ice Cream Sandwich, a powerful dual core processor and a 3.0 Megapixel rear camera. The Galaxy Tab 2 10.1 received Samsung's SAFE certification, supports secure VPN access and has features like video chat and Cisco WebEx, making this portable and compact business tool very capable of sustaining your workforce's productivity. In a world where innovative technology is vital to the success of your business, this tablet is sure to provide high quality and reliable productivity at all levels. OtterBox protective solutions enable mobile business professionals and protect your critical mobile devices.

DEFENDER SERIES®

ULTIMATE PROTECTIVE SOLUTION

OtterBox focuses on premium design and ideal form, fit and function for the ultimate tablet experience. The high quality materials, precision design and fine styling of our tablet cases ensure reliable performance and high satisfaction. Should any concern arise, OtterBox handles every situation with hassle-free, industry-defining customer service. Enjoy your work everywhere with confidence that your tablet is protected and functions flawlessly while inside a highly protective and rugged Defender Series case.

ADVANTAGES OF THE DEFENDER SERIES

- This rugged case is made for heavy use and random accidents
- The multi-layer construction of this case makes it nearly indestructible
- The built-in screen protector prevents scratches on the touch screen; smudges and fingerprints easily clean off
- Port covers prevent dust and debris from clogging up ports and jacks
- The removable shield stand provides added protection for the screen during transport
- The shield stand supports portrait and landscape viewing and a natural typing angle
