

AMU89EU | Targus 3-Button USB Optical Mouse

The ergonomically designed Targus 3-Button USB Optical Mouse with Retractable USB Cord is the perfect device for both left handed and right handed users, whilst being small enough for travel and big enough for day-to-day desktop operations.

The 1m USB cable adjusts to perfect length for ease of use and compact size makes the mouse fit comfortably into any pouch for easy storage.

Utilising the latest optical technology, the 3-Button USB Optical Mouse provides precise tracking on most surfaces, through its 1,000 dpi optical sensor.

The Optical Mouse also features a scroll-wheel for quicker viewing of documents, folders and websites.

USB retractable cable – Avoid extra cable cluttering your workspace by adjusting the retractable cable to the desired length

Ideal for travel or home office – Small, compact design is perfect when space is limited

Optical sensor technology – The 1,000 dpi sensor utilises the latest technology to ensure perfect responses to mouse movements

Comfortable – Ergonomically designed to support the palm to reduced wrist strain

Plug & Play – no hassle setup; simply plug into your computer's USB port

Compatibility – Compatible with Windows XP, Windows Vista, Windows 7, Mac OS X v10.4 or later
