

LaCie Core7

Design by Sam Hecht
USB 2.0 Hub

**More Ports.
More Possibilities.**

Optimize Your USB Devices

The LaCie Core7 lets you connect all of your devices at once, with its seven USB 2.0 ports. It's a convenient, portable, and functional way to make sure that you always get the most out of all of your USB devices, whether you're on a PC or a Mac. Its fast interface transfer rates ensure that you'll get the performance you expect, and its lightweight form factor makes it easy to take with you.

Built-in Cables

With two built-in cables, the LaCie Core7 allows you to connect all of your mobile devices. The USB mini-B cable is compatible with many popular cell phones, cameras, and other devices, adding to the convenience of the Core7. Each cable winds up effortlessly fitting underneath the Core7, making it one of the most compact and portable USB hubs on the market.

Unique Design

Sam Hecht, the world-famous product designer behind the LaCie Little Disk, designed the Core7 exclusively for LaCie, and its stylish, practical design is at home on any desktop. Available in a warm gray color, the Core7's modern exterior takes it a step beyond ordinary USB hubs.

Made for Mobility

Thanks to its small size, the LaCie Core7 fits on your desk at home or at the office, which makes it simple to expand the capabilities of almost any computer. With its functional, compact design, the Core7 is a perfect addition to any workspace.

- Add seven USB 2.0 ports to your computer

LaCie Core7, Design by Sam Hecht

Item Number	130894
Interfaces	7 x USB 2.0 ports (including 1 built-in USB miniB cable)
Interface Transfer Rates	up to 480Mbps/s
Dimensions (HxWxL)	5.06 x 3.12 x 1.12 in. / 128 x 79 x 28 mm
Weight	0.2 lb. / 96g
Warranty	2-year limited

*USB host cables must be plugged into your computer. Otherwise, the USB ports on the Core7 will not work properly. Connecting too many bus-powered devices to the Core7 may cause insufficient power for operating all of your devices. In this case, you will need to use the external power supply (5V/3.8A), sold with the LaCie Core7.
