

## Backpack Trade

Lightweight notebook backpack with a casual business look

**With the Trade backpack, you're equipped in the best way possible for your day-to-day business activities. You can securely transport your laptop to the office, customer visits, trade fairs or events in the padded and lockable notebook compartment. The adjustable shoulder straps and the ergonomic back padding guarantee the very best in wearing comfort. The splashes of colour in blue and green make the Trade backpack a fashionable accessory for every business outfit.**

The slim and lightweight backpack cuts an impressive figure with sophisticated details. Personal documents and tablets measuring up to 10" can be securely stowed in the document compartment. With the functional divider in the front compartment, you'll have your power adapter, smartphone, business cards and other important accessories to hand at all times. The removable interior pocket, meanwhile, which was specially developed for headphones, means that you avoid that annoying tangled mess of cables. Your drinking bottle or umbrella can be stored in a space-saving fashion in the side pocket, while the trolley belt on the rear means that the Trade backpack can be easily secured to any wheeled suitcase – making it ideal for extended business trips when you're carrying extra luggage.
