

Smart battery-driven water irrigator

SH-OW02

Whether you're looking to reduce your water usage, keep an eye on your bills, or simply want to make your home more eco-friendly, the smart water controller is the perfect solution. Easily monitor and control your water consumption from anywhere using your smartphone, and seamlessly integrate the smart water controller into your existing DELTACO Smart Home system.

The smart water controller's advanced features provide real-time insights into water usage patterns, enabling conservation and cost savings. It can also operate from 4.5 °C to 45 °C, ensuring year-round use regardless of the weather.

This water irrigator is battery-driven (4x AA-batteries, not included)

USP

- **Several smart functions**
- **Battery-driven**
- **Wi-Fi (Frequency: 2.4 GHz)**
- **Operates from 4.5 °C to 45 °C**

Specification

Product depth	48 mm
Product height	115 mm
Product weight	260 g
Product width	117 mm
Color	Black
Warranty	5 years
Battery driven	Yes (4x AA)
Batteries included	No
Communication protocol	HTTP, DHCP, DNS TCP/IP
Wi-Fi Frequency	2.4 GHz
IP Classification	IP55
Compatibility	DELTACO Smart Home app

Compatibility, voice assistant	Yes (Amazon Alexa & Google Assistant)
Smart functions	Schedule, automation, tap-to-run

Logistics data

Item nr	SH-OW02
Manufacturer part nr	SH-OW02
Country of origin	China
Master carton height	285 mm
Master carton width	545 mm
Master carton depth	280 mm
Master carton weight	12.65 kg
Master carton quantity	40 pcs

Sales unit height	51 mm
Sales unit width	125 mm
Sales unit depth	118 mm
Sales unit gross weight	0.30 kg
Sales unit net weight	0.25 kg
Sales unit bar code	7333048059338
