Essentials Matter
Smart Holiday String Lights

Product Leaflet

Get festive with Nanoleaf Smart Holiday String Lights! The perfect decoration for your tree, or throughout your home to bring out the holiday spirit. Customizable color palettes and lighting animations set the Christmas mood in an instant, with just the touch of a button or a simple voice command. Sync with your favorite holiday songs to watch as your lights dance to the beat. Designed for both indoor and outdoor use.

Features

Smart Holiday String Lights

16M+ Colours and Warm to Cool Whites
Immerse yourself in a world of colour or enjoy the ambient glow of a White Christmas.

Animated Colour Gradients & Scenes
Choose from a variety of animated motions to bring your palettes to life. Set colours to flow and transition gradually, or pop up energetically to enhance the holiday cheer!

Perfect For Indoors & Outdoors
IP44 splash proof and weatherproof to withstand any winter wonderland.

Get Into The Music
Watch your lights dance to the beat.

Easy Access Controller
Turn your lights ON/OFF and cycle through whites, colors and Scenes.

Matter-Enabled (over Wi-Fi)
Matter allows compatibility with major smart home ecosystems.

Customize Colour Palettes & Motions
Get creative and create your own custom dynamic Scenes that fit your space and needs.

Holiday-Themed Scenes
Discover thousands of already made color palettes, lighting animations and color-changing Scenes.

Use with Wi-Fi or Bluetooth
Control directly with the Nanoleaf App over Wi-Fi or Bluetooth.

Magic Scenes
Type in any holiday word and get a colour palette automatically generated for you!

Voice Control
Go hands free, and control your lights via Voice when you link it up to a smart home ecosystem with Matter.

Set Schedules
Automate your lights to turn on/off at set times to make your holiday routine easier and more convenient.

* To enable voice control and set schedules, you'll need to connect to a Smart Home Ecosystem, which requires a Matter Compatible Smart Home Hub, and the latest firmware on your devices and apps.

Use Cases

Smart Holiday String Lights

Embrace the Festive Feeling

Bright and colorful Scenes like "Candy Cane", "Holiday Magic", and "Crackling Fireplace" create a magical ambience to enhance every holiday memory.

Light Up Your Music Playlist

Turn up your holiday tunes and watch your Lights react to the music, dancing and prancing along to every beat.

For Holidays ... or Any Days!

Keep shining bright even after the holidays say goodbye! Use warm and cool whites to light up dark nights, or play around with colour and bring new life to your space.
