HL-4040CN

High speed network colour laser printer

HL-4040CN

If you want high performance, business quality colour laser printing – and you want it ready to connect to your existing network – then you need the Brother HL-4040CN at your side.

- Up to 20ppm colour & mono print speed
- Up to 2,400 x 600dpi print resolution
- Up to 250 sheet standard paper capacity
- Print directly from a digital PictBridge camera
- Print directly from USB flash memory drive

HL-4040CN

In business, presentation is vital. You need professional results – and you need them fast. Sound familiar? Then you need the Brother HL-4040CN colour laser printer at your side.

This exceptional laser printer can print at up to 20ppm in colour and mono, so there is no delay in printing those all-important documents. Thanks to Brother's latest colour laser technology, it delivers high quality brilliant colour output that's sure to give your business the edge.

It's versatile too. You can print index sheets, images or files using the USB direct interface. Simply plug in your USB Flash Memory Drive and print – you don't even need your computer switched on. Images from your digital camera can also be printed directly via the PictBridge connection.

Easy to set-up and use, the HL-4040CN features a 3 colour LCD for instant recognition of printer status. Thanks to its in-built network connectivity your entire network of users can all share the features and functions of the HL-4040CN. Or, if you prefer, access can be restricted to those who really need it – giving you greater control of usage and costs.

The HL-4040CN also has a low cost of ownership thanks to its separate toners and drum – so you only replace what you need to. For best results always use original Brother consumables to guarantee the best in high performance colour laser printing for your business.
