HL-4050CDN

High speed network colour laser printer with automatic duplex

HL-4050CDN

For fast, professional colour laser printing that's ready to connect to your existing network, with double-sided printing built-in, you need the HL-4050CDN at your side.

- Up to 20ppm colour & mono print speed
- Automatic colour & mono duplex (double-sided) printing
- Up to 2,400 x 600dpi print resolution
- Up to 250 sheet standard paper capacity
- Print directly from a PictBridge enabled digital camera
- Print directly from USB flash memory drive

HL-4050CDN

If you want high quality colour printing with a professional finish, then you need the Brother HL-4050CDN colour laser printer at your side. With duplex as standard, this high performance machine delivers double-sided output quickly and easily, producing booklets, reports and presentations that are sure to give your business the edge.

It's not only good for the image of your business. By printing on both sides of the paper the HL-4050CDN will save costs by using less paper - and by reducing your paper usage, you'll be helping the environment as well.

And it's fast. With a print speed of up to 20ppm in colour and mono, there is no delay in printing those all-important business documents.

It's versatile too. You can print index sheets, images or files using the USB direct interface. Simply plug in your USB Flash Memory Drive and print -

you don't even need your computer switched on. Images from your digital camera can also be printed directly via the PictBridge connection.

Easy to set-up and use, the HL-4050CDN features a 3 colour LCD for instant recognition of printer status. Thanks to its in-built network connectivity your entire network of users can all share the features and functions of the HL-4050CDN. Or, if you prefer, access can be restricted to those who really need it - giving you greater control of usage and costs.

The HL-4050CDN also has a low cost of ownership thanks to its separate toners and drum - so you only replace what you need to. For best results always use original Brother consumables to guarantee the best in high performance colour laser printing for your business.
