DCP-9010CN High Speed Network Ready Colour LED Multifunction Printer

Brother's DCP-9010CN is the perfect multifunction printer for the small business, offering you fast results, a wide range of cost-cutting features and professional quality in one space-saving unit.

Brother's advanced toner-based single-pass print technology gives you fast print speeds of up to 16 pages per minute for mono and colour. You get crisp, sharp text output and professional-quality colour documents.

You can optimise your document management and workflow across your business. Connect the DCP-9010CN to your existing wired network to share it securely among a workgroup and make use of of its large 250-sheet paper tray

and advanced scanning options. Create professional business documents by enlarging a single page to poster size or adding a watermark to your printouts.

There are numerous ways to reduce your running costs with the DCP-9010CN. You can save paper and toner by printing several pages onto one sheet, or easily restrict user access to certain functions such as colour printing.

Add to this the DCP-9010CN's high energy efficiency, low noise levels and recycling-friendly design. Its outstandingly low impact on the environment has been ENERGY STAR certified and awarded the prestigious German Blue Angel award.

Cost reductions

1. Share resources. Share the DCP-9010CN among several users over your existing wired network for more efficiency and an improved workflow.

2. Reduce paper and toner use. Reduce 2, 4, 9, 16 or 25 pages onto just one A4 sheet with N-up printing.

3. Manage print costs. With the Colour Restriction Tool, an administrator can centrally manage users' access to colour printing and bring down costs.

Save time

4. Handle multipage documents at the touch of a button. With the DCP-9010CN's 35-sheet ADF, you can swiftly copy and scan multipage documents.

5. Speedy document management.
With the easy to use Scan to Email option, your document is saved onto your computer and automatically attached to an email ready to be sent straight after scanning. Other time-saving options include Scan to File, Scan to OCR and Scan to Image.

Professional quality

6. Professional finish. It's incredibly easy to add a watermark, whether it's a predefined design or a logo of your choice, to your printouts for a professional look.

7. Get the bigger picture - in-house. For a bigger impact, you can enlarge 1 page to be printed across 4, 9, 16 or 25 A4 sheets with the Poster Printing function in the printer driver.

Convenient extras

8. Swift and easy. Printing on thick paper or envelopes is incredibly simple with the DCP-9010CN's Straight Paper Path. All you have to do is open a small door at the rear for your special media to exit after printing.

9. Be safe. Print your most confidential documents, safe in the knowledge that they will remain just that, with Brother's Secure Print feature. It's easy to use: when you're ready to print your document, you enter a private PIN code on your computer and click the Print button. The document will only print after you've physically entered your PIN code at the printer.

10. Compact build. With its space-saving, stylish design and small footprint, the DCP-9010CN will easily fit on your desktop.
