

MFC-5895CW

The MFC-5895CW offers scan, copy and fax capabilities alongside professional quality printing in up to A3, which can be shared across your wire and wireless network

Produce professional quality documents in up to A3 in-house, with a print resolution of up to 6000dpi and a minimum 1.5pl droplet size ensuring your documents have more impact.

Fast print speeds of up to 35 mono and 28 colour pages per minute ensure you are not kept waiting for your documents. And with a 50 sheet Automatic Document Feeder you can scan, copy or fax multiple paged documents with ease. The MFC-5895CW's simple to follow menu structure, colour LCD display and well designed control panel make accessing the various functions hassle-free.

MFC-5895CW Technical Specifications

| General                       |   |
|-------------------------------|---|
| Technology                    | Inkjet  |
| Memory Capacity               | 64MB  |
| Warm-up Time                  | 0 seconds   |
| Interfaces                    | Hi Speed USB 2.0 / USB Direct / Pictbridge / Media cards  |
| Network                       | 10/100 Base-TX, Wireless LAN IEEE802.11b/g  |
| Protocols                     | TCP/IP (IPv4 & IPv6)  |
| Wireless Setup                | Wi-Fi Protected Setup™ (WPS), AirStation OneTouch Secure System™ (AOSS)   |
| Wireless Security             | WEP 64/128, WPA-PSK (TKIP), WPA2-PSK (TKIP&AES)   |
| Display                       | Wide 8.4cm Colour LCD   |
| Colour Printer                |   |
| Speed                         | Up to 35ppm mono & 28ppm colour   |
| Resolution                    | Up to 6,000 x 1,200 (Vertical x Horizontal)   |
| Borderless Printing           | Available for A3, A4, LTR, A6, Photo 4 x 6", Index Card, Postcard   |
| Colour Enhancement            | Brother image enhancement allows you to customise colour output   |
| Minimum Droplet Size          | * 1.5pl (when used with Brother BP71 paper, see Supplies section)   |
| Direct Photo Print            | Print photos direct from a USB Flash memory Drive / Media Cards (See Direct Photo Print section)  |
| Colour Fax                    |   |
| Modem                         | 33.6kbps  |
| Colour                        | Using the ITU-T-30E Colour Fax Protocol to other compatible fax machines  |
| Data Compression              | MHA, MMR, MMR (Mono), JPEG (Colour)   |
| Automatic Redial              | Automatic redial if the recipient fax is busy   |
| Speed Dials                   | 80 locations for pre-stored numbers   |
| Group Dials                   | Up to 6 groups  |
| Fax / Tel Switch              | Automatic recognition of fax and telephone reception  |
| Distinctive Ring Detection    | Yes - UK & Denmark only   |
| Super Fine                    | Enables quality transmission and reception of very small print or line drawings   |
| Grey Scale                    | 266 shades of grey  |
| Memory Transmission           | Up to 400 pages (ITU-T Test Chart No 1)   |
| Out of Paper Reception        | Up to 400 pages (ITU-T Test Chart No 1)   |
| Broadcasting Locations        | Send the same fax message to up to 256 locations  |
| Auto Reduction                | Automatically reduces a received fax to fit on to a single A4 sheet   |
| Error Correction Mode         | Where machines share the ECM feature, errors during transmission are corrected automatically ensuring received documents are error free   |
| Fax Forwarding                | Sends a fax received in memory to another pre-programmed fax number (Mono only)   |
| Remote Access                 | Allows the user to remotely access their machine by using another touch tone phone  |
| Fax Retrieval                 | Allows the user to retrieve fax messages using another touch tone machine (Mono only)   |
| Dual Access                   | Scan a fax for transmission whilst receiving a fax (Mono only)  |
| Internet Fax (i-Fax)          | Fax documents anywhere in the world over the internet without the use of a telephone line (Optional Download Only)  |
| PC-FAX*                       | Send & Receive faxes from your PC (phone line required)   |
| Colour Copier                 |   |
| Speed Fastest                 | Up to 23ppm mono & 20ppm colour   |
| Resolution                    | Up to 1,200 x 1,200dpi (colour and mono)  |
| Multi copy                    | Produces up to 99 copies of each original   |
| Enlargement / Reduction Ratio | 25% - 400% in 1% increments   |
| N in 1                        | Reduce 2 or 4 pages on to a single sheet  |
| Poster Printing               | Enlarge an image to print onto 3 x 3 pages of A4 size (available for A4 only)   |
| Colour Scanner                |   |
| Resolution                    | Optical: Up to 1,200 x 2,400dpi<br>Interpolated: Up to 19,200 x 19,200dpi   |
| Scan Speed                    | From 4 seconds Mono & from 6 seconds Colour (A4 size, 100 x 100dpi)   |
| Grey Scale                    | 256 shades of grey  |
| Colour Depth                  | 48bit internal processing colour scanner  |
| *Scan* Key                    | Allows the user to scan to E-mail, OCR, Image, File, Card, USB Flash Memory Drive or FTP.<br>Supporting: JPEG, BMP, PDF, TIFF, PNG (USB Flash Memory Drive supports PDF Mono & Colour, JPEG, TIFF). |

\* Receiving is for Windows®only  
\*\*Approx. cartridge yield is declared in accordance with ISO/IEC 24711

Contact:

The MFC-5895CW complies with the ENERGY STAR and German Blue Angel environmental standards, ensuring low energy consumption, low noise levels and a recycle-friendly design.

By returning your empty ink cartridges to Brother for recycling you can also help protect the Amazon rainforest as part of our partnership with Cool Earth. For more information go to [www.coolearth.org/brother](http://www.coolearth.org/brother)

To achieve the highest print quality and over 100 years fade resistance\* we recommend using original Brother LC1100 ink cartridges together with Brother BP71 Premium Plus photo paper. LC1100 Black Ink meets the ISO 11798 standard for document proof, ensuring your documents will be readable even after exposure to light, water, handling and storage when using setting for thicker media.

Professional Colour Inkjet  
Multifunction A3 Printer with  
Fax and Wireless Network

The MFC-5895CW offers scan, copy and fax capabilities alongside professional quality printing up to A3 which can be shared across your wire and wireless network.

- Scan, Copy and Fax up to A4, and print in up to A3.
- Fast printing: Up to 35 mono and 28 colour pages per minute.
- Easy to use with 8.4cm Colour LCD Display.
- Connect and share: with wire and wireless network capability.
- Copy and Fax via the 50-page Automatic Document Feeder (ADF).
- High quality printing with up to 6,000dpi resolution, and a 1.5pl minimum droplet size.

Combining Scan, Copy, and Fax capabilities with the ability to Print in up to A3, in one, space saving machine.

Print photos directly from your digital camera.

Scan, copy or fax multiple paged documents with ease.

The individual ink system helps you to reduce waste.

### Save time

The MFC-5895CW offers impressive print speeds of up to 35 mono and 28 colour pages per minute. You can also scan, copy and fax multiple paged documents quickly and efficiently via the Automatic Document Feeder.

### Easy to use

The 8.4cm colour LCD display allows you to access the MFC-5895CW's menu options with ease. Preview, edit and print photos, access the various scan options and make photocopies without using your computer.

### High quality

Print professional quality documents in-house with up to 6000dpi resolution and a minimum 1.5pl droplet size ensuring that you receive incredible print results every time. When using Brother Innobella inks and paper you can ensure light fastness for up to 100 years.

### Connectivity

The MFC-5895CW connects directly to your existing wireless network so you can share resources across multiple users. Once connected you can also scan to email or FTP server directly from your machine.

### Value for money

Reduce your printing costs with Brother's high yield Innobella ink cartridges. Using the cost-effective high yield cartridges means you can print up to 900 pages mono and 750 pages in colour.

### Kind on the environment

As part of our commitment to protecting the environment the MFC-5895CW complies with ENERGY STAR and German Blue Angel environmental standards which ensure low energy emissions and a recycle-friendly design. The n-in-1 printing and ink save modes also allow you to save money, reduce waste and protect the environment.
