

EPSON®

EXCEED YOUR VISION

Epson Stylus Photo R285

Print premium quality photos at home

The Stylus Photo R285 is an affordable six-colour photo printer. It comes with Epson Claria™ Photographic Ink and the innovative printing technologies that make Epson the choice of professionals.

Epson Claria Photographic Ink is a high-definition, six-colour, dye-based ink offering an extra wide colour gamut and smooth gradations. The results are premium quality photos which look better and last longer*¹ than the photo lab.

The Stylus Photo R285 is also cost-efficient. It has six individual inks so you only have to replace the colour you use. And you can print onto CDs and DVDs*² to personalise your digital photo albums. It's the ideal partner for the latest D-SLR and mega-pixel cameras.

The ideal partner for the latest D-SLR and mega-pixel cameras – make the most of your camera's resolution

Combine speed and quality – with Epson Advanced Variable-sized Droplet Technology

Epson Claria Photographic Ink – brilliant photos that last 200 years in an album*¹

Better results with six colour inks – extra wide colour gamut and smooth gradations for vivid prints

Fantastic photos every time – Epson PhotoEnhance can automatically adjust the picture for excellent results

Print directly onto CDs and DVDs*² – add a personal touch to your digital photo album

Epson is the choice of professionals – use the same innovative technologies as the experts

Key benefits:

- Photos look better and last longer*¹ than the photo lab
- Personalise your CDs and DVDs*²
- Cost-efficient individual inks – only replace the colour you use
- PhotoEnhance can automatically adjust your pictures
