

FreeAgent™ Go

PORTABLE DRIVE

FireWire 800, USB 2.0: 250 GB, 320 GB

Perfect for when you need to:

- Store your photos, music and other files easily
- Carry your data when you travel or commute to and from work
- Get your storage solution up and running quickly

Smart, sleek portable storage for your photos, music, videos and more

Take your photos, music, videos and documents everywhere easily with the sleek, Mac-ready Seagate® FreeAgent Go portable storage solution.

The FreeAgent Go drive offers up to 320 GB of capacity, so you can store all your files comfortably. It's formatted for Mac and Time Machine-ready, so you can get up and running in a flash. It offers lightning-fast transfer of your digital content with FireWire 800 and USB 2.0 interfaces. Also, it's the world's first portable drive that includes a convenient desktop dock and travel case. Simply pop your drive into the FreeAgent dock whenever you want to access your files — no more fumbling around for cables!

Highlights

- Pocket and carry your data with ease thanks to a sleek design
- Enjoy a look and feel that complements your Mac system
- Access your files with unparalleled convenience simply by popping your drive into the FreeAgent FireWire 800 desktop dock. You'll never fumble around for cables again! You can even purchase another dock for convenience at home and at the office.
- Take all your photos, music, videos and documents with you everywhere, thanks to large storage capacities of 250 GB and 320 GB
- Get lightning-fast data transfer with FireWire 800 and USB interfaces, and take advantage of support for FireWire 400
- Travel smart with a durable carrying case and compact FireWire and USB cables
- Get up and running quickly thanks to Mac formatting and Time Machine-readiness
- Save energy by using one small drive for both mobile and desktop needs, and take advantage of support for Apple's power management features
- Enjoy peace of mind with a 5-year limited warranty from the worldwide leader in storage solutions
