

## My Passport™ Studio™

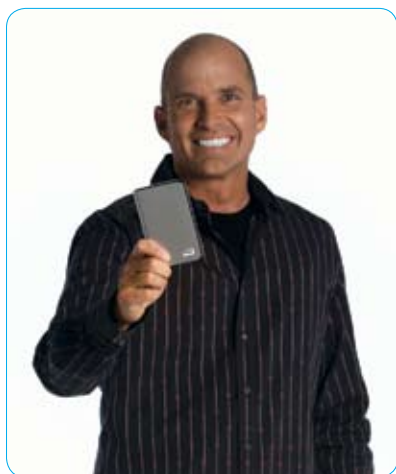

### Portable Hard Drives

FireWire® 800  
Illuminated Capacity Gauge  
5-year Limited Warranty

I can't picture keeping my data on anything but a WD Mac-formatted hard drive.

*Professional Photographer*

## Ultra fast. Mac®-ready.

Designed for Mac users on the go, this sleek little portable drive has FireWire 800/400 and USB 2.0 interfaces for ultra-fast performance. Use it to pack up your office files and take them home, carry thousands of songs or pictures and back up your Macintosh® laptop using Apple® Time Machine™ or your favorite backup software.

- **FireWire 800** – Save and access data at top speeds with the high-performance FireWire 800 interface. Also includes FireWire 400 and USB 2.0 interfaces for maximum flexibility.
- **Turbo powered** – Includes high-speed turbo drivers for maximum performance. (Mac only)
- **Illuminated capacity gauge** – Connect My Passport Studio to your computer and see at a glance how much space is available on your drive.
- **5-year limited warranty**
- **Compatible with Apple® Time Machine™** – Use with Apple Time Machine, or your favorite back up software.
- **FireWire or USB powered** – No separate power supply needed.\*

\* A special cable is available for the few computers that limit USB power.
