

rugged XL

DESIGN BY NEIL POULTON

eSATA 3Gb/s
USB 2.0

**Life-Proof Hard Disk.
Rugged, Creative Storage
for Your Desktop.**

Simple and Efficient

The LaCie Rugged XL, Design by Neil Poulton offers a large amount of storage capacity, yet it's easy for anyone to use. Setup is effortless; it's plug & play and offers customizable formatting to format one's drive up to one's needs with the LaCie Setup Assistant. LaCie Backup Assistant software is also included for PC/Mac® users for easy, automatic backups.

Design and Function

The LaCie Rugged XL makes a statement on your desktop, with its design (based on the original LaCie Rugged Hard Disk) and colorful presence. Its warm orange LED strip on its underside underscores LaCie's dedication to superior design and functionality.

Protect Your Data

This advanced hard disk features aluminum casing, which provides superior protection on your desk. Its resistant and tough design comes complete with a rubber sleeve, internal bumper, and heat dissipating features, making the LaCie Rugged XL as sturdy and reliable as it is effective.

High Performance

With versatile USB 2.0, the user-friendly LaCie Rugged XL, Design by Neil Poulton makes a great companion to your PC or Mac. Use it as a reliable data-shuttle between USB-equipped desktop and laptop computers, or to regularly back up your entire system or upgrade capacity when your computer's hard drive is full. With an eSATA interface as well, the LaCie Rugged XL offers you lightning-fast speeds, which means it's powerful and easy to use.

1TB* =

1,420 DivX movies or
