LinkStation™ Pro Duo

Network Storage

BUFFALO™

Buffalo's LinkStation™ Pro Duo is the ideal solution to keep important files safe! Stream your favourite music and videos directly from the LinkStation™ Pro Duo to a computer, PS3®, Xbox 360® or network attached DLNA or UPnP media player or Buffalo™ LinkTheater.

With ultra fast data transfer speeds, the LinkStation™ Pro Duo is a high performance dual drive that can be configured in RAID 0 for performance or RAID 1 for redundant storage. If a drive does fail, you have a copy of your data on the second drive. Easy to install, the LinkStation™ Pro Duo lets you store and share your music, photos, and videos in your home or small office.

Access and share your multimedia collection from anywhere at any time using Buffalo's WebAccess, the feature that allows users to easily stream digital content stored on any Buffalo™ network storage solution from anyway in the world via a Web browser, or using the newly announced free WebAccess-i app, via an iPhone®, iPad® or iPod touch®.

Store, share and save with the Buffalo™ LinkStation™ Pro Duo.

LinkStation™ Pro Duo–LS-WVL

- High Speed Data Transfer Up to 74MB/s
- DLNA/UPnP Support–Share movies and play music with the DLNA/UPnP Certified media player
- WebAccess–Access your digital content via a PC, Mac or iPhone

- Direct Copy–One touch transfer of media files from any digital camera/camcorder
- Built-in BitTorrent Client
- USB Device server–Connect and share a Multifunction USB 2.0 Printer on your network

Key Specifications

- 10/100/1000 Gigabit Ethernet support
- Built-in DLNA & UPnP CERTIFIED Media Server
- WebAccess–Access your digital content via a Web browser to a PC or Mac or via the WebAccess-i app to your iPhone® or iPad®
- Direct Copy feature allows you to automatically upload images from your digital camera or digital camcorder directly to your LinkStation
- Download media directly to your LinkStation™ using the built-in BitTorrent client, no need to keep your PC on
- Seamlessly integrates with iTunes® and allows you to access your music files on the LinkStation™ from your iTunes® software
- Supports Apple Time Machine Backup with multiple clients
- Schedule Backups from one LinkStation™ to another over your LAN network or via USB to an external HDD
- TurboPC / TurboCopy for Windows–increases file transfer and copy performance
- Includes Novastor NovaBACKUP® Professional with 5 licence Pack for PC

- Active Directory Support: Works as a client in an Active Directory domain allowing the LinkStation™ Pro Duo to utilize the domain users and groups
- Schedule Power Management and PC Interlocking Power Management function
- Eco Friendly Power Saving Mode
- 128 Bit AES Encryption
- RAID redundancy–RAID 0 (striping) for Performance, RAID 1 (mirroring) for added Security
- Easy setup and web-based administration
- Protect data by restricting access with group and user level security
- Built-in Print Server to print from anywhere on your network (*USB printers supported only)
- Expand storage by adding a USB hard drive via the USB port
- Built-in FTP server AutoBackup Software for Windows/Mac

SPECIFICATIONS

Internal HDD	
HDD Interface	SATA
Capacities	2.0TB, 4.0TB, 6.0TB
Number of Drives	2
Interfaces	
LAN	
Standard Compliance	IEEE802.3ab / IEEE802.3u / IEEE802.3 Standard
LAN Port Connector	1 x RJ-45
Data Transfer Rate	10/100/1000Mbps
USB	
Standard Compliance	USB 2.0
Connector Type	1 X USB type A
Data Transfer Rate	Max: 480Mbps (High Speed Mode) Max: 12Mbps (Full Speed Mode)
Protocol Support	
Networking	TCP/IP
File Sharing	SMB/CIFS, AFP, FTP, HTTP, HTTPS (WebAccess)
Management	HTTP, HTTPS
Time Synchronization	NTP
Other	
Setup Utility OS Support	Windows® 7 (32 & 64bits), Windows® Vista™ (32 & 64bits), Windows® XP, Windows® 2000, Windows XP Media Center Edition 2004/2005, Windows Server 2003/2008 (32 & 64bits), Mac OS X 10.3.9 or later
Dimensions (WxDxH)	86 x 127 x 204mm
Net Weight	1.7Kg
Operating Environment	5-35°C, 20-80% humidity (non-condensing)
Power Consumption	Ave 17W / Max 24W (with no USB devices connected)
Power Supply	External AC 100-240V, 50/60Hz

Product Part Numbers

LS-WV2.0TL/R1-EU – LinkStation Pro Duo 2TB
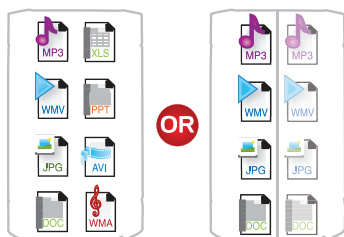

LS-WV4.0TL/R1-EU – LinkStation Pro Duo 4TB

LS-WV6.0TL/R1-EU – LinkStation Pro Duo 6TB

Maximum Storage or Maximum Reliability

Maximum Storage
FULL CAPACITY MODE

Maximum Reliability
RAID 1 "MIRRORING" MODE

OR

Get maximum storage with the increased capacity of two spanning hard drives or the extra security of automatic mirroring in one affordable box.

Note: 1TB = 1,000,000,000,000Bytes. Actual data throughput will vary depending upon environment factors.
