

USB Flash Drives

TransMemory™ U303

Super Speed in Small Design

64 GB 32 GB 16 GB

Color 

The TransMemory™ U303 mini flash drive - complete with stylish casing - delivers everything you need to save and share on the move. With a capacity of up to 64 GB, it's big enough to hold all your favourite memories and most important work. With USB 3.0 capability, you can store and access files faster too. What's more, the TransMemory™ U303 is just 4.2 cm long, so it fits easily into your wallet, purse or pocket. That way, you've got the things that matter most to you everywhere you go, ready for sharing with friends or colleagues.

-  Up to 64 GB capacity
-  Small design
-  High speed
-  Use for: PCs
