Flash Voyager GTR 128GB has it all; Speed, Capacity, Reliability and Convenience. Why wait as you write or read files? With minimum write speeds of 28MB/second, copy your biggest files quickly without waiting. Large 128GB capacity gives you ample room to store up to 600 hours of MPEG-4 movies, or 32,000 MP3 music files or 38,000 six-megapixel pictures. Its durable rubber housing is water resistant and shock-proof, giving you comfort in transporting your files. At nearly 75% smaller than a typical USB hard disk drive, the Flash Voyager 128GB GTR is the most convenient way to transport all your data. See why Flash Voyager GTR 128GB is the fastest, and the most convenient USB Flash Drive.

Features

Ultra-fast: Read and write files faster with a Flash Voyager GTR.
Compatible: Works with Windows, Mac OS X, and Linux operating systems without the need to install drivers.
Durable: No moving parts, shock-proof rubberized housing, and water resistant housing.
Convenient: Just plug and go! Ample storage, fast performance for all your storage needs.
Backed by Corsair: A respected name with a passion for quality products, and great service and support. Comes with a limited 10 year warranty.
