Flash Survivor™ GTR High Performance 64GB USB Drive

Intro Phrase / Tagline	High Performance, Ruggedized Aluminum 64GB Flash Survivor GTR USB Drive
Etail/Disti Title	CORSAIR Flash Survivor GTR High Performance 64GB Flash Drive (USB 2.0, USB 3.0 Compatible) 34MB/s read, 28MB/s write minimum.
Etail Overview	Flash Survivor™ GTR is an extremely fast, durable, water resistant, drop-tested flash USB memory drive. By design it is perfect for transporting valuable data such as personal files, photos and applications without having to worry about damage or loss of data due to the elements.
Ad Copy - Print / Web	<i>Gather Intelligence for Your Next Mission</i> The High Performance Flash Survivor GTR 64GB is the safest way to manage, transfer and transport your important data. The Flash Survivor GTR is almost indestructible. Encapsulated in CNC-Milled aircraft aluminum to withstand the toughest abuse, after multiple destruction tests the Survivor continues to function and protect your data. 3rd party torture tests have included baking, boiling, freezing the Survivor GTR, and even having a truck drive over it. The Survivor is Military grade: Engineered to handle the most extreme situations from a covert operation to a wash in the laundry.
Features	• Compatible – Works with Windows, Windows 7, Mac OS X, and even Linux without drivers • Fast – The industries fastest USB 2.0 drive • Durable – Ruggedized aluminum housing makes it almost
