CORSAIR®

SKU Live Date	**June 10, 2010**
Intro Phrase / Tagline	Secure your personal or business data with a Corsair Flash Padlock 2 USB Flash Drive.
Product Full Name/Title	16GB Flash Padlock 2 USB Flash Drive
25-Word Product Description	Secure your personal or business data with a 16GB Corsair Flash Padlock® 2 USB Flash Drive.
50-Word Product Description	The Corsair Flash Padlock® 2 is perfect for transporting and protecting your sensitive business or personal information. With built-in 256-bit hardware data encryption, and access limited by a PIN, you can rest assured your information is safe from unintentional viewing. Built with the same ruggedized rubber housing found on the Corsair Flash Voyager family for durability, your data is protected from the elements as well.
100-Word Product Description	The Corsair Flash Padlock® 2 is perfect for transporting and protecting your sensitive business or personal information. With built-in 256-bit hardware data encryption, and access limited by a PIN, you can rest assured your information is safe from unintentional viewing. Built with the same ruggedized rubber housing found on the Corsair Flash Voyager family for durability, your data is protected from the elements as well. Because the PIN keypad is integrated directly onto the flash drive, there is no software to install. Simply enter your own Personal Identification Number and your data is unlocked for use on virtually any PC operating system: Windows, OS X, or Linux—even game consoles. Without the PIN, your information stays secure and inaccessible.
Product Features	Secure 256-bit hardware AES encryption User customizable 4-10 digit personal identification number to lock and unlock Built-in hacking detection locks device for 2 minutes after 5 failed attempts Durable rubber, shock-proof housing Plug-n-Play compatible via USB 1.1, 2.0 or 3.0 port Limited 10 year warranty Industry leading telephone, email and online support
