

Fully compatible with all major Internet service providers

- Connects to your broadband DSL service to provide Internet access
- Surf the Internet, email and chat
- Freedom to switch DSL providers without changing equipment
- Fully compatible with major DSL Internet service providers
- Easy setup with Smart Wizard® installation CD

Features

NETGEAR's Broadband DSL Modem is the simple solution for setting up direct, always-on Internet connectivity for home and office networks. Plus, it gets you up and running fast with NETGEAR's signature ease of installation. Up to 24 Mbps downstream and 1.5 Mbps upstream throughput delivers true broadband experience. NETGEAR's Broadband DSL Modem works with your current broadband DSL service provider.

**Connect laptops, desktops,
gaming consoles, and more!**
