QPAD®|UC

A SENSE OF MASTERY

FEEL THE CONTROL

If you're looking for a mousepad that gives you total control while letting you enjoy working the mouse, choose QPAD's new uncoated surface mouse pad the latest in a wide portfolio of proven QPAD products. Our new, four-millimeter thick pad features a soft yet resistant surface designed to let you feel the mouse's movement over the pad's uncoated surface for better control. Portable and robust, you can roll it up, stick it your pocket and slap it down for the next game. A cross-weave rubber underside firmly grips the table where you place it. With its signature winged shape designed for an extra-wide sweet spot, UC is a superior quality soft pad that lets you do the work and gives you a sense of mastery.
