

Logitech®

V100 Optical Mouse for Notebooks

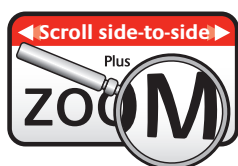

The Logitech® V100 Optical Mouse for notebooks is the perfect companion for your notebook. It's easy to take on the road and far more comfortable than using a standard touchpad. Its contoured body provides more comfort no matter where you use your laptop. With plug-and-play convenience, just plug the mouse into a USB port and start enjoying more comfort and control instantly. Use the tilt wheel to scroll side-to-side; perfect for viewing large digital photos and spreadsheets. Click the wheel to instantly zoom in and out of large images or documents. USB. 3-year guarantee. Full product support.
