## V150 Laser Mouse for Notebooks

The Logitech® V150 Laser mouse for notebooks is a perfect fit for your personal work style. Ultra-precise laser technology outperforms mice that use optical tracking, delivering super-smooth, precise cursor control on virtually any surface. The V150 instantly makes you more productive, no matter where you use your laptop—on the road, in the office or at home. Use the tilt wheel to scroll side-to-side: perfect for viewing digital photos and spreadsheets. Instantly zoom in and out with a click of the wheel. Simply plug the mouse into a USB port and you're on your way. USB. 3-year guarantee.

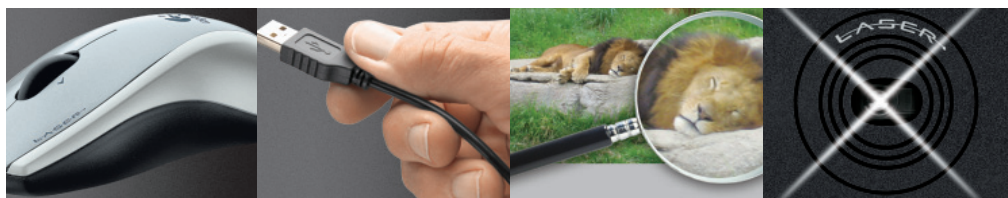

### Benefits

- Compact, laser mouse for notebooks
- Laser technology delivers smooth cursor control on virtually any surface
- Tilt wheel plus zoom for side-to-side, up/down scrolling and in/out zooming
- Plug-and-play
- Compact contoured shape provides better support and more control than the touchpad
- USB connection for Windows® 98, 2000, Me or XP and Mac® OS X 10.2.8+
- Three-year guarantee
- Full product support
