

Logitech® G5 Laser Mouse

The Gamer's Choice

- This ultra-high resolution 2000 dpi laser engine churns images at an astounding 6.4 megapixels per second. A massive (30-pixel by 30-pixel) sensor array and precision laser technology provides best-in-class performance and tracking.
- Full-speed USB—up to 1000 reports/sec—delivers blazing speed and instant acceleration.
- Use 36 grams of adjustable weights to tune the balance and heft of the G5 for the control you need to dominate the competition.
- Forget sticky workarounds. Durable Polytetrafluoroethylene gaming feet give your G5 the ultra-smooth glide you want in a gaming mouse.
- The G5 provides instant access to three sensitivity levels— 400 dpi, 800 dpi, and 2000 dpi—before driver installation. Shift from pixel-precise targeting to fast-twitch maneuvers, without pausing the action.
- Documentation in English
- 3-year guarantee
- Full product support

The Logitech G5 Laser Mouse is the gamer's choice with a 2000 dpi laser engine for blinding speed and ultra-smooth tracking and Full Speed USB of up to 1000 reports/sec. The G5 36 gram adjustable weight cartridge gives you hundreds of variations on balance and heft—including one that's perfect for your unique gaming style. Polytetrafluoroethylene gaming feet provide the ultra-smooth glide you want in a performance-grade mouse. Logitech's SetPoint software to customises your mouse with advanced features such as game detection and "on-the-fly" adjustable sensitivity (including independent x and y axis settings). Now with 2 thumb buttons for additional programmability.
