

Logitech® Ultra-Flat Keyboard®

The Logitech® Ultra-Flat Keyboard delivers a high level of performance and style in a sleek, compact design. Elegantly fusing form and function, this keyboard offers flatter, full-size keys, including the number pad, in a very compact layout. You'll save space on your desk and streamline your work area without sacrificing the slightest degree of comfort. The ultra-flat keyboard profile is an excellent complement to the styling found in contemporary flat-screen monitors. No software is required so set up is fast and easy and it includes an option for both USB and PS2 allowing you connect to any PC or notebook.
