

Logitech®

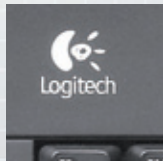

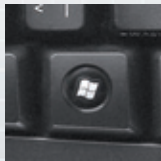

Internet 350 Keyboard Black

Enhanced productivity with amazing design

With its striking design featuring contemporary high gloss accents, the new Internet 350 Keyboard series adds instant style and productivity to the PC. Simple to install; it's fully functional without having to load any additional drivers (Windows XP or higher). Eight sleek hot-keys deliver one-touch access to calculator, web, e-mail and more. Its spill-resistant design can cope with minor accidents. Its commercial brown-box package makes it ideal for system builders who wish to bundle an enhanced Internet keyboard, or for use as a replacement product in a corporate environment.

- Instant, one-touch access to calculator, web, e-mail and more
- Fully functional without having to install any drivers (Windows XP and higher)
- Industry standard key layout
- Spill-resistant design can handle minor spillages
- New Microsoft® Windows start key – Vista compatible
- Available in black or white colour versions
- Available in PS/2 or USB versions
- Commercial brown-box packaging
- 3-Year guarantee

Expect more!
