

# Logitech® Wave keyboard™

## Created for hands just like yours

Innovative keyboard with a wave design that cradles your hands naturally

- Wave-shaped contour of the keys comfortably cradles your fingers
- The curved layout, featuring consistently sized keys, lets you type with confidence and comfort.
- Cushioned, contoured palm rest helps position your hands comfortably on the keyboard.
- Adjustable keyboard height for personalised comfort
- Dedicated one-touch access to key Windows Vista™ features
- USB connection; Windows® XP, Windows Vista™ or Mac® OS X (10.3.9)
- Documentation in English
- 5-year guarantee
- Full product support

A revolutionary advance in keyboard design, the Logitech® Wave Keyboard™ incorporates three key elements – wave key design, constant curve and contoured palm rest – that instinctively guide your hands into a natural position for enhanced comfort and productivity. The full-size, full-travel keys are designed for remarkably quiet operation. The cushioned palm rest provides extra support and can help reduce fatigue, and the three-way adjustable tilt legs let you choose a keyboard angle that maximises comfort. Dedicated one-touch hot keys provide easy access to your digital music and to many Windows Vista™ features, including Flip 3D, Zoom, Photo Gallery, and Gadgets. Programmable F-keys can instantly open your favorite applications, games, folders, and web pages.

# Logitech® Wave keyboard™
