

Logitech® **diNovo Mini™**

The Logitech® diNovo Mini™ gives you total control of your PC entertainment from your sofa

Palm-sized keyboard with media remote and ClickPad

- Palm-sized mini-keyboard fits comfortably in your hand – and your living room
- Dual-purpose ClickPad works as a touch pad or as a directional pad
- Rechargeable Li-ion batteries last longer – up to one month between charges
- Bluetooth® technology for long-range wireless control (up to 10 m / 30 ft)
- Backlighting makes text entry effortless, even in low light
- 5-year guarantee
- Full product support

Enjoy total control of your PC entertainment from your sofa. Palm-sized, cordless mini-keyboard fits in your hand and gives you optimal control and access of the PC entertainment you love, including browsing the Internet, watching TV, listening to music and playing PC games. Dedicated Windows® Media Center controls optimise launch and navigation of Microsoft's popular entertainment platform. Integrated, dual-purpose ClickPad enhances control and access with innovative technology that can be used as a touch pad and a directional pad. Rechargeable Li-ion batteries give you up to one month of battery life. Bluetooth® wireless technology provides long-range wireless control from up to 10 m (30 ft). Backlighting makes text entry effortless, even in low light.
