

# Logitech® LX™6 Cordless Optical Mouse

## Upgrade to cordless

High-definition, comfortable cordless optical mouse

- Contoured shape with soft rubber grip provides comfort and control
- High-definition optical for smoother tracking
- Side-to-side scrolling and zoom
- Up to 8 months battery life
- USB or PS/2; Windows Vista™, Windows® XP or Mac OS X 10.3.9+
- 5-year guarantee
- Full product support

Enjoy cordless freedom with this high-definition optical mouse. Its soft rubber grip and contoured shape offer comfort and control for either hand. The battery lasts up to 8 months – even longer with the on/off button – and the battery indicator light eliminates surprises. With the Tilt Wheel plus Zoom, you can scroll horizontally and vertically, or instantly zoom in and out of documents: it's perfect for viewing digital photos and spreadsheets. The Logitech® LX™6 Cordless Optical Mouse is 2.5 times more responsive than standard optical mice, so that your tracking is smoother and more accurate. 5-year guarantee, full product support.
