Stay cool with Logitech's Digital Precision PC Gaming Headset. The cushioned headset fits behind the head and features a unique open-air design to keep your ears cool and comfortable for extended gaming sessions. Take advantage of pure digital audio with the included plug-and-play USB adapter or connect the dual analogue 3.5mm jacks to your favourite soundcard. The noise-cancelling microphone focuses on your voice by reducing background chatter while the in-line volume and mute controls give you instant access to audio adjustments in the heat of the action.
