The Logitech® ClearChat PC Wireless™ headset allows you to move freely and enjoy PC calling, music and games from up to 10 metres (33 feet) away from your computer. Setup is simple and takes just seconds – no software or pairing required. Laser-tuned speaker drivers are optimised for high-quality, stereo audio; the noise-cancelling microphone reduces unwanted background noise so you can be heard clearly. A padded headband and plush ear pads provide exceptional comfort for hours on end. Volume and microphone mute controls are conveniently located on the earpiece for quick adjustment and the microphone glows red when muted, assuring that no one can hear you.
