

Crystal-clear Sound and Versatility for your PC and MP3 Player!

VS1520

Horizontal or Vertical Configuration

Asymmetrical Baffling Delivers Superior Sound

Acoustically Transparent Metal Grilles

Convenient Front Panel MP3 Player Input

ALTEC LANSING®

FLEXIBLE DESIGN

Speakers lock together for
use under your monitor

ALTEC LANSING®

ULTIMATE SOUND AND VERSITILITY IN ONE PRODUCT

Like their big brother the VS2521, the VS1520 packs a lot of performance in a convenient package that makes them ideal for use wherever you need high quality audio - at home or in the office. The unique design allows you to place the speakers upright on your desk or interlock them to fit them under your LCD monitor. Acoustically transparent metal mesh grilles and metallic finished cabinets make the VS1520 the ideal companion for today's stylish computers and monitors.

AUX

VS1520

Maximize your desk space

Unique design lets you use speakers in a horizontal or vertical configuration. Fits great in unused space below most monitors.

High-quality stereo

Custom-engineered full-range 2.5" ported speakers deliver clean, full-spectrum sound with outstanding accuracy.

Distinctive design

Features high tech, acoustically transparent metal grilles that look great everywhere.

Front panel headphone jack

For private listening.

Unique asymmetrical baffling

Delivers uncompromised sound quality while reducing standing waves and distortion – your favorite tunes never sounded so good.

Power, volume and tone

Controls are all at your fingertips.

Convenient

Front panel input jack lets you to connect your MP3 player without disconnecting your PC.

Easy set-up

Color-coded cables ensure you'll be up and running in seconds.
