

Logitech®

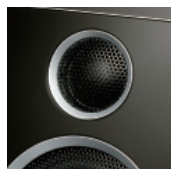

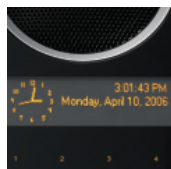

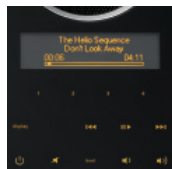

Z-10 Interactive 2.0 Speaker System

Take control of your digital music with the Logitech Z-10 Interactive 2.0 Speaker System. Its touch-sensitive multimedia controls and presets give you unprecedented control of your digital music. An innovative LCD display shows track information, a digital clock and other useful info and the bi-amp, full-range, two-way speaker design delivers studio-quality audio with a more balanced response in a desktop environment. A single USB cable provides the audio signal and track information for a simple, no-hassle installation. Connect to the headphone jack for private listening, or plug in your favourite MP3 or CD player to the convenient auxiliary input.

Benefits

- Touch-sensitive multimedia controls & convenient presets for excellent function management. Save and recall your favourite Internet radio stations and playlists.
- Graphic LCD displays track information, like artist and song title from your PC.
- Studio quality 30W RMS two-way speaker design delivers enhanced audio imaging, crystal clear highs and incredible bass.
- 3" high excursion driver with 1" dome tweeter
- Simple USB setup & full-range acoustic design means rich bass with no need for a bulky subwoofer.
- Headphone jack allows private listening or plug in your favourite MP3 or CD player to the convenient auxiliary input.
- 2 year guarantee
- Full product support
