

PC 360 GAME

Keep Your Head Cool

Developed with the top eSport team mTw, the PC 360 is a new flagship for pro gaming. It has an open design that makes sure you keep a cool head – and delivers a natural listening experience so you can stay in touch with your surroundings.

Thanks to the ultra-comfortable ear cups, pro microphone and quick-access controls, it's also the only headset you'll ever need for music, videos and skypeing.

- **Professional gaming with a cool head** – the open design lets air in and delivers a natural listening experience
- **Sennheiser sound** – excellent hi-fi sound and acoustics from your games, music, movies and internet calls
- **Noise canceling clarity** – the microphone reduces ambient noise for crystal-clear conversations
- **All-in-one headset** – when you want to enjoy movies or music, just move the microphone out of your way
- **Practical microphone mute** – automatically mute the microphone by raising the boom
- **Ultra comfortable** – XXL velvet ear pads and a cushioned headband keep you going
- **Intuitive design** – the volume control is integrated in the right ear cup
- **Freedom of movement** – there's only one cable, so you can turn your head without getting in a tangle
- **Peace of mind** – thanks to the 2-year international warranty
