

#### PRODUCT DESCRIPTION

Perfect for any home or office environment, the Edifier R19U is a 2.0 multimedia speaker system that, due to its wooden enclosed design, produces a crisp, clear sound quality. The 2¾ inch, open speaker unit comes with a combined master volume and built-in power switch. USB audio streaming capability and 3.5mm auxiliary input offers greater flexibility too.

#### FEATURES

- Active USB bookshelf speaker
- Angled speaker positioning to optimize listening experience
- 2¾ inch (70mm) mid-range and treble units with dual magnetic circuit design
- Master volume with built-in power switch
- USB audio streaming capability and 3.5mm auxiliary input
- Wooden enclosure to minimize acoustic resonance
