WAKE UP  
IPOD SPEAKER & ALARM CLOCK

Start the day like you never did before!

Wakeup with the new, most creative and best designed speaker, docking & radio alarm clock for your iPod; the boynq WakeUp™.

Three beautifully integrated LCD displays indicate the time, radio stations and input channels in a soft white light, that's intensity can be adjusted to personal preference.

Pure Sound Supremacy is proven once again as besides being woken up by this masterpiece you can also give a great party as the incredible sound quality easily fills up your entire room.

WakeUp!

...who is the accessory now?
