## LIMITED EDITION

| | |
|---|---|
| **Title** | Steelseries Kana CS:GO Edition |
| **Description** | Featuring a Counter Strike Global Offensive unique design, the SteelSeries CounterStrike GO is an optical, ambidextrous mouse designed for all three grip styles: palm, claw and swipe. Based on the Steelseries Kana mouse, the functionality, ergonomic button layout and size was perfected alongside SteelSeries' professional gaming teams, who also tested and validated the precision and power hidden in the Kana's modest exterior. Make no mistake; this mouse was built for consistency and accuracy even in professional tournament conditions. |
| **Features** | - Custom Counterstrike Global Offensive Design - Ambidextrous shape with ergonomic button layout - Amazingly comfortable size, for all grips -Tournament Grade Optical Sensor - Illuminated scroll wheel - SteelSeries Engine will allow complete configuration and control of your mouse and gameplay through: - Drag & drop macros with timing control - Unlimited number of profiles - Heat map of button use - 5 programmable buttons |
