# Your perfect workout partner

## BackBeat FIT

Stable and comfortable, the BackBeat FIT wireless stereo headphones provide all the power, safety features, and premium audio you need to stay motivated and moving, indoors or out.

# BackBeat FIT

**Made for your workout.** Whatever your workout, the flexible, sweat-proof Plantronics BackBeat FIT wireless stereo headphones keep pace with you. Its powerful audio lets you clearly hear your music while its safety-oriented design lets you hear your surroundings and be seen at night. The reversible armband secures your smartphone while you're moving and stores your headphones when you're done – making it your perfect workout partner.

- Flexible design fits comfortably and stays put for all levels of exercise.
- Safety-oriented eartip design and reflective finish let you hear your surroundings and be seen at night.
- Easy controls let you keep moving while you control your music or calls.
- Neoprene armband secures your smartphone and reverses to store headphones.
- Check your headset's battery level from your iPhone or use our app to show meter on your Android™.
- Eight-device memory for easier switching between devices.
- Wireless firmware updates using free Plantronics app.
- Bluetooth® technology lets you connect to your smartphone or tablet for music, movies, and calls.
