Vibrantly Flawless

Experience the latest in comfort, style, and functionality with the White Edition Series from noblechairs. Stunningly standing out, the new White Edition Series expands on our commitment to pushing the boundaries in unrivaled material options. Developed and produced in Germany, our new White High-Tech Material is coated with a protective layer that ensures the surface is both dirt-repellent and highly durable.

Developed and produced exclusively for noblechairs, our High-Tech Vinyl has been designed for users demanding the highest quality in both color and durability thanks to its vibrant white easy to clean surface protection:

- Vibrant White developed exclusively for noblechairs
- Manufactured and designed in Germany and exported for production of our chairs
- Dirt-repellent and extremely hard-wearing surface
- Easy to clean surface protecting from paint, make-up, denim, and other stubborn stains
