VX Revolution

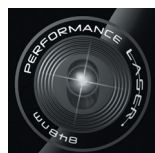

The Ultimate notebook mouse

A high-speed wireless, ultra-precise laser mouse for notebooks, VX Revolution™ turbocharges your digital experience. Use the nearly frictionless alloy scroll wheel to fly through long documents or switch to precise click-to-click scrolling to navigate lists, slides and image collections. Highlight a word or phrase and press the Search button to instantly display results from your favourite search engine. Smoothly zoom in and out of photos, spreadsheets and documents with the zoom slider. The sculpted, right-hand shape provides exceptional comfort, while laser tracking gives you pinpoint control. Robust 2.4 GHz digital cordless with storable micro-receiver. USB connection for PC/Mac. 3-year guarantee.
