

The tiny eco-friendly wonder

Quiet, understated and very practical, the NSK3480 microATX Tower maintains the innovative standards of Antec's new Solution Series enclosures. Including an 80PLUS® Certified EarthWatts 380W ATX12V v2.2 power supply with universal input and active PFC, the NSK3480 also utilizes Quiet Computing™ technologies, making it an ideal choice for corporate or home environments. The NSK3480: small, quiet and highly efficient.
