

NSK 6582 / 6582B
New Solution Series

The ultimate in quiet versatility.

Antec introduces a desktop solution that combines versatility, quiet performance and 80 PLUS® Bronze certified power. The NSK 6582 and NSK 6582B merge convenient features such as a removable 3.5" hard drive cage (that holds five removable trays) with Quiet Computing™ technologies like silicone grommets, to give you a superior desktop experience. Powered by Antec's 80 PLUS® Bronze certified EA-430D Green power supply, the NSK 6582 and NSK 6582B are not only reliable, but extremely energy-efficient. And with elegantly understated style, the silver NSK 6582 and the black NSK 6582B make for the perfect additions to your home or office.

- **Efficient 80 PLUS® Bronze certified EA-430D Green power supply**
 - 430 watts of Continuous Power
 - Universal Input with Active PFC cuts electrical waste
