Make of It What You Will

Designed for our MasterCase Series cases, this MasterAccessory allows you to install up to two extra SSD drives horizontally or vertically in your case for extra drives. Easily adjust it on your M-Port and you're ready to go.

Part of our MasterAccessory line, this tray is made to fit into cases with FreeForm Modular System Technology that allow you to Customize, Adjust, and Upgrade.

Installation couldn't be easier, plug it into your case's M-Port and you're ready to go.

Features

FreeForm™ Modular System – Easily customize, adjust, and upgrade your case with our Horizontal SSD Cage.

High quality material – The tray is made from high quality steel and is covered with stylish metallic grey paint.

Adjustable position – Easily screw the two M-Port caps (simply screw them into one of the holes) to adjust your desired position on the case's M-Port.

Compatibility – it's compatible with all Cooler Master's FreeForm Modular cases
