Meshlicious

Small case. Big satisfaction.

Meshlicious is a combination of MESH and Delicious. There's so much mesh that your mouth will water. Breathable, mesh panels let you savor the airflow and minty temps and has a lowkey, vanilla look, like a workstation. Or use the tempered glass side panel that allows your RGB components to shine through with eye-catching brilliance and depth. You'll be like a kid staring inside a candy store.
Meshlicious is small enough to be portable (360mm*245mm*166.4mm) yet big enough to pack a punch that will satisfy (14.67L in size).
Meshlicious readily supports up to 4 slot GPU, AIO water cooling units up to 280 mm, fits SFX and ATX PSU, and up to four storage devices.
