Anode SFX Bronze 450W

Solid, sturdy and surprisingly quiet, the Anode SFX is a strong contender for any build with a modest footprint. The updated electrical design and included UltraFlex cables make it an excellent choice for reliability and ease of use.

Key features

- 80 PLUS® Bronze efficiency and high reliability
- Optimized fan curve that guarantees a remarkably quiet 80 mm fan
- Optimized cable lengths for smaller cases
- UltraFlex™ cables that bend and twist effortlessly to fit your installation instead of fighting it
- Updated DC-DC design and SFX 3.42 standard for improved start-up and transient load response
