

Portable 6x Blu-ray™ Drive

Blu-ray™ is the ideal solution for users wanting to upgrade to Blu-ray™ either to store, edit, to watch High Definition content or writing large or small amounts of data to an optical drive.

The glossy black portable design is ideal for users who want optimal playback performance of Blu-ray™ discs, DVDs, or CDs on their PCs. Easy to install and easy to setup the drive comes with a USB 2.0 connection and includes Cyberlink Blu-ray™ Disc Suite software suite which allows consumers to view DVDs in near HD quality.

The perfect solution to upgrade to a portable Blu-ray™ solution.

Portable 6x Blu-ray™ Drive
